

YOUTH FORMATION MODULES

LEAP scholarship's formation modules seek to support the scholars' cognitive, socio-emotional, moral, and leadership development. OUR GOAL

LEAP-POLP seeks to help deserving students from less fortunate families by providing a monthly allowance. It also aims to develop them holistically by conducting monthly formation sessions programmed to guide them to become upright and responsible young leaders and citizens.

LEAP FORMATION

"When you continue to serve with faithfulness, humility, and right motives, you're making room in your life for God to fulfill his purposes in you."

- The Maxwell Leadership Bible

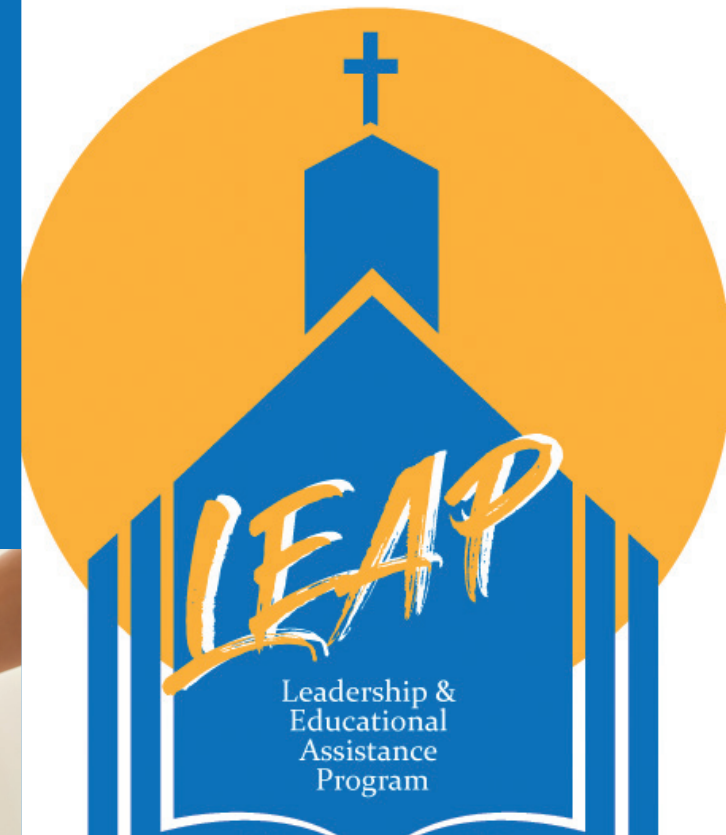

LEAP-POLP provides monthly assistance for 10 months to deserving students seeking financial help. However, the LEAP scholarship does not end with financial assistance. The program is complemented with youth formation modules which aims to develop pro-active Christian Filipino scholars. The core team of community volunteers are committed young professionals who design an annual formation curriculum for the scholars. It aspires to focus on learner-centered and youth-oriented programs which will holistically prepare scholars for university life, careers and life ahead.

LEADERSHIP AND EDUCATIONAL ASSISTANCE PROGRAM OF THE PRESENTATION OF OUR LORD PARISH (LEAP-POLP)

In everything I showed you that by working hard in this manner you must help the weak and remember the words of the Lord Jesus, that He Himself said,
